GIANT HYBRID AMARYLLIS

The favorite pot plant for growing indoors. These giant bulbs produce sturdy spikes bearing wide-petaled, Lily-like flowers averaging 4 to 6 inches across, some being of rich glowing colors, others delicately shaded and superbly veined. Place one or more bulbs to a pot with two-thirds of the bulb above the surface. Place bulbs in light and keep on dry side until the flower spike appears at the side of the bulb. Then apply generous amounts of water. Giant bulbs: Each, 50c; doz., \$5.50. Mammoth bulbs: Each, 75c; doz., \$8.50.
